Important Information

⁽¹⁾ These fees apply if the student is away for a full week and the homestay provider has been informed at least one week in advance. If the student is away for 1-6 days, one full weeks payment still applies.

⁽²⁾ Twin rooms are only available if the student is accompanied by a friend or relative, otherwise single fees will apply.

⁽³⁾ During the summer season arrivals must be on Sundays only. Homestay providers are not able to accommodate extra nights unless one full weeks payment is received. If students arrive on a different day then other accommodation may need to be found and paid for independently.

Many homestay providers have pets. It is common that families in the UK have pets and they are often considered part of the family. We can only guarantee a student is placed in a family without pets if a medical certificate is provided to the school in advance.

Accommodation over the summer season must be paid in full and in advance for the entire duration of the stay in order to guarantee accommodation.
