PHILOSOPHY

ACCESS is a small, boutique-style school committed to offering high quality English language learning experiences.

As previous English teachers, school directors (and husband & wife team), Ian & Wendy Gillanders have always recognized the importance of small classes, personal attention, and a comfortable, friendly environment, to a student's ability to learn English.

Since 1999 we have stayed committed to offering our students all of these benefits, in addition to providing caring, motivated teachers and a mix of student nationalities from around the globe.

At ACCESS, we have a very unique environment where each student feels special and cared for.
